

It's Shabbat Ba'Bayit 2018!

Or Hadash celebrates Shabbat at Home

***Friday, March 9th,
Shabbat with friends done your way!***

Shabbat BaBayit is an opportunity to get to know other families in a warm, casual setting at the home of a congregant. Host families will provide the main course and participating families will bring a side dish or dessert to complement the dinner.

BYOB: check with your host.

There is **NO** cost to share Shabbat, so please check in with the host family to see how you can help out!
