

LIGHT IN THE DARKNESS: STANDING TOGETHER

An interfaith show of solidarity

In response to recent acts of hate and attempts to intimidate in our area (including Upper Dublin and Horsham), the Wissahickon Faith Community Association invites you to join us in a candlelight vigil to stand against these acts.

All are welcome to stand together and shine light in the darkness

Program to include local clergy, community leaders and choirs

Thursday, May 25

7:30pm

Mondauk Common

Participants are reminded to park in designated spaces only at Mondauk Common – not on the grass
