

A REASON FOR HOPE TOUR WITH COMBATANTS FOR PEACE

Dual Narrative Tour of Palestine & Israel

OCTOBER 19 - OCTOBER 29, 2022

Experience the work of Combatants for Peace, former Palestinian and Israeli fighters, in their non-violent struggle for peace and justice in the embattled "Holy Land."

This inspiring trip, sponsored the Philadelphia group of American Friends of Combatants for Peace, will be led by Rabbi Sheila Peltz Weinberg, Farrah Agha and Israeli and Palestinian MEJDI tour guides. The trip is dedicated to increasing awareness of the Combatants for Peace and other peace activist groups in Israel/Palestine, and then to bring that message of hope back to our community in Philadelphia.

For More Information (and to register):
