

CeaseFirePA. is hosting the annual **Advocacy Day** to gather around **legislative initiatives** to address each major source of the gun violence epidemic plaguing Pennsylvania. The goal of the day is to bring together more than 130 organizations across the state to advocate for solutions that **will** save lives. Popular, practical, proven solutions like universal background checks, legalizing Extreme Risk Protection Orders, mandatory gun locks in homes with children, and lost and stolen gun reporting.

Five years after over one million Americans rallied for the ***March for Our Lives***, hundreds will gather at the State Capitol in Harrisburg to demand life-saving action in Pennsylvania. Join us on **Thursday, March 23rd**, as we call on **the new gun safety majority in the PA House to act.**

Schedule:

9:00 - 12:00 PM: Advocacy Meetings with Legislators & Training

12:00 - 2:00 PM: March for Our Lives Rally

2:00 - 3:30 PM: Advocacy Meetings with Legislators & Training

Signup at <https://bit.ly/PA-March2023> to learn about **transportation** and **trainings**, and to get scheduled for a lobbying meeting, or click the QR code. For questions, please contact sarah@ceasefirepa.org.

This Event Would Not be Possible Without Our Co-Sponsoring Partners
