

THE OR HADASH ANTI-RACIST TASK FORCE
AND ADULT ED COMMITTEE PRESENT

FAIRNESS IN FUNDING FOR PUBLIC EDUCATION

A DEEP DIVE EDUCATIONAL SEMINAR

SUNDAY, NOVEMBER 14, 11:30 am

The U.S. has a long history of unfair education funding and, therefore, inequitable educational opportunity. This has a severe negative effect on life outcomes. Poor white and minority children in rural, suburban, and urban areas suffer, but so does our whole society. Working toward fair funding benefits everybody. Learn more about the history of inequitable funding, legal challenges to it happening right now in PA, and what you can do to get involved in advocating for fair, expanded educational funding.

**LEARN ABOUT THE HISTORY AND IMPACT OF EDUCATION FUNDING AND HOW
FAIR FUNDING MIGHT AFFECT YOU AND YOUR SCHOOL DISTRICT**
