

Franklin C. Ash Summer Internship

Program Application 2021

The Franklin C. Ash Summer Internship is a **seven-week** summer internship program to introduce Jewish undergraduate students to the Jewish non-profit world. The purpose is to provide students with a professional experience and skills to begin their future careers as well as foster their commitment to the Jewish community. As a part of this program, students will be also mentoring Jewish high school juniors from the Lasko College Prep Program.

There is **one programming day** (usually on Monday) and **four internship days** each week. For the programming day (which cannot be missed), students come together for career focused workshops, various activities within the Jewish community, leadership building assignments, group activities with high school students and Mitzvah projects. For the rest of the week, students work at their internships.

The program dates are **June 14th through August 6th, 2021**. There is an \$1800 award upon the successful completion of the program.

The Franklin C. Ash Summer Internship Program is a competitive program. Please submit your application, your essay responses, and a resume early as the interview process occurs on a rolling basis.
