We understand that this amount is a sizable commitment for all our households. We are grateful to everyone who is able to make this commitment.

There are several ways we can help you make these payments. You can **pay in installments** (monthly or other) and you can set up your account in ShulCloud so the **payments are automatically drawn** from your account or charged to a credit card. Please complete the **Payment Options Form**.

If the amount is still prohibitive to you, we absolutely still want you to be part of our congregation! Please complete the **Financial Accommodation Form**.
