- If you have questions about this form, please consult our FAQs or contact Stephen Kupersmith, Treasurer, Treasurer@orhadash.com.

We know that the discounts we offer everyone and the option to pay in installments does not make the cost of membership and school enrollment affordable to all our households.

If you fall into that category, we ABSOLUTELY still want you to be part of our congregation!

To that end, we have designed our Financial Accommodations system to treat you with respect by

1) treating any information you share in great confidence and
2) operating on an honor system, rather than asking you to document anything you share with us.
